

CASA Visit Questionnaire

For home visits at Foster home

1. Who was at the visit with the child?
2. Describe the condition of the home: Neat, dirty, cluttered, safe, any harmful objects?
3. How was the child behaving and interacting with others in the home?
4. Did the foster parent report any positive or negative behaviors by the child? If so, what was reported?
5. If the child is having any family visits (with parents and/or siblings), how is the child doing after those visits?
6. Were there any needs reported or observed?
7. Anything else that needs to be reported?
